

SOLARHASH TOKEN

Privacy Policy

Introduction

- At Solar Hash Token, we value and respect the privacy of our users. This Privacy Policy outlines how we collect, use, and protect personal data when you interact with our portfolio, including our website and services.

1. Information We Collect

- We collect the following types of personal information:

1.1 Personal Information

- This includes your name, email address, and contact details, which are collected when you create an account, subscribe to our newsletter, or contact us through our forms.

1.2 Transaction Data

- When you engage in transactions involving Solar Hash Tokens (SolH), we collect information such as the type of transaction, the amount, the blockchain address involved, and timestamps. This data helps us ensure transparency, security, and smooth operation of the platform.

1.3 Technical Data

- When accessing our portfolio, we may collect information about your device, browser type, IP address, and general usage data to improve our platform and user experience.

2. Use of Your Information

- We use your information for the following purposes:

2.1 To Provide Services

- We use your personal data to offer the Solar Hash Token portfolio services, including managing your investments, processing transactions, and providing customer support.

2.2 To Improve User Experience

- We collect technical data to enhance the functionality, security, and usability of the platform. This helps us continuously improve our services.

2.3 To Communicate with You

- We may use your contact information to send updates, newsletters, promotional offers, and other information related to Solar Hash Token and its initiatives.

2.4 To Comply with Legal Obligations

- We may need to process your data to comply with legal and regulatory requirements, including anti-money laundering (AML) and know-your-customer (KYC) regulations.

3. Data Protection and Security

- We are committed to protecting your personal data. We implement industry-standard security measures, including encryption, firewalls, and secure storage, to safeguard your information.

4. Sharing of Data

- We do not sell or trade your personal information. However, we may share your data with:

4.1 Service Providers

- We work with third-party service providers who help us run the platform, such as payment processors and blockchain partners. These providers are contractually obligated to protect your data.

4.2 Legal Compliance

- We may disclose your data to authorities when required by law, such as in cases of regulatory compliance, fraud prevention, or litigation.

5. Your Rights

- You have the following rights regarding your personal data:

5.1 Access and Correction

- You can request access to the personal data we hold about you and ask for corrections or updates to any inaccuracies.

5.2 Deletion

- You have the right to request that we delete your personal data, subject to any legal obligations we may have to retain it.

5.3 Opt-out

- You can opt-out of receiving marketing communications by following the unsubscribe instructions in our emails.

6. Cookies

- We use cookies and similar technologies to improve your experience on our platform. Cookies are small files that store preferences, track usage patterns, and remember login details.

7. Changes to This Privacy Policy

- We may update this Privacy Policy from time to time to reflect changes in our practices or legal requirements. Any updates will be posted on this page, and the “Last Updated” date will be revised accordingly.

8. Contact Us

- If you have any questions about this Privacy Policy or our data handling practices, please contact us at:
